On August 25, 1920, at San Francisco, Vacuum Cup Tires withstood the test of rounding a wet, slippery corner at thirty-five miles an hour in the Safety First demonstration - the feature event of the third annual convention of the National Traffic Officers' Association.

Think what such non-skid safety means to you and to those who ride in your car!

FREE

for January

Substantial price reductions became effective on Vacuum Cup Tires on November 10, 1920.

Notwithstanding this, we propose to give thoughtful motorists additional opportunity to prove for themselves, in the most economical manner, the fact that

The Vacuum Cup Tread will not skid on wet or greasy pavements!

For the month of January, Vacuum Cup dealers throughout the United States are authorized to give-absolutely free of charge-

One Pennsylvania "Ton Tested" Tube of corresponding size with every regular Vacuum Cup Cord or Fabric Tire purchased!

Start the New Year right. Equip your car with four Vacuum Cup Tires. Know that definite immunity from skidding on wet, slippery pavements which thousands of other prudent Vacuum Cup Tire users enjoy the year round.

If you cannot secure prompt service locally, write to the Factory at Jeannette, Pa., and your order will be filled. carrying charges prepaid anywhere in the United States.
